

REMARKS

We acknowledge the Examiner's indication that claims 1-31, 33-57, and 73-86 are allowed. We also acknowledge that dependent claims 60-65 would be allowable if amended to be in independent form and to include all of the limitations recited in any base and intervening claims. We have amended dependent claims 60 and 63 to be in dependent form to include all of the limitations recited in claim 58 (now canceled). We have also amended dependent claim 59 so as not to depend from a canceled claim.

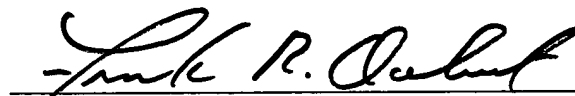

The Examiner rejected claims 58, 59 and 66-70 as anticipated by Troester (U.S. 6,135,022). The Examiner also rejected claims 71 and 72 as unpatentable over Troester in view of Wadge (U.S. 6,263,980). We submit that these rejections are moot in view of applicants' amendments to the claims.

We submit that all claims are in condition for allowance which action is requested.

Please apply any other charges or credits to deposit account 06-1050, referencing Attorney Docket Number 12805-002001.

Respectfully submitted,

Date: March 10, 2005
